IT REPORT

All working well.

PROJECTS:

All going well

MACHINES

All machines working well and no need to purchase any new items.

SOCIAL

A very good response to the last Sausage Sizzle

MEMBERSHIP

We now have 129 Members, 3 More have joined since last month.

GENERAL BUSINESS

Suggested to implement a Buddy System, to assist new Members.

Suggested to have an Open Day, at the Shed and invite for example, the Lions and Rotary Clubs etc, whereby we can sell items and possibly attract new Members.

Waiting for the City of Joondalup, to advise all details, for 60 meters x 4 meters of decking, to be installed in the Central Walk, outside of a restaurant and Bar, so we can subcontract out the work, to the Wangara Mens Shed, who have the timber to build the decking.

Otto showed photos of the Cockburn Mens Shed, which is much bigger than our shed, plus 6 containers for storage.

They have a huge dust extraction system and are happy to show all specifications to assist us.

He also pointed out, that we need to be aware and considerate to the neighbouring houses and bowling club, of the noise from a much larger dust extraction system.

Meeting closed at 6.40 pm.
